### EXPULSION FROM FRANCE.

Turkish Ambassador Entered Paris  
to Hold a Fete—Notified at  
Once to Leave the Country.

Paris, Sept. 2.—The result of  
Munir Bey, the Turkish ambassa-  
dor to France, coming to Paris in  
spite of the rupture of France-  
Turkish relation and holding a fete  
in the most open way at the Turk-  
ish embassy yesterday in honor of  
the anniversary of the Sultan's  
accession to the throne, has been  
that the French Government sent  
him the same afternoon a request  
to leave France immediately, and  
Munir Bey departed for Switzer-  
land this afternoon.

M. Constance, the French ambas-  
sador to Turkey, had another con-  
ference with the French foreign  
minister, M. Delcasse. The Gov-  
ernment of France is determined  
to compel Turkey to fulfill her en-  
tire obligations. Unless the Sultan  
yields shortly he will find the bill  
against him increased by another  
outstanding claim of Frenchmen,  
which will make appreciable addi-  
tions to the sum now demanded.

### B and-New Hanna

#### Presidential Boom.

Cleveland, O., Aug. 30.—There  
is a brand-new Hanna presidential  
boom in town.

A club has been formed in the  
Forty-first Ward, composed largely  
of the Senator's neighbors,  
whose avowed purpose is to "fur-  
ther in all honorable ways the can-  
didacy of Senator Hanna for the  
presidency." The club has been  
organized by the election of Robert  
Irvine as president, and the decla-  
ration made that Senator Hanna is  
the logical candidate for the presi-  
dency. The Forty-first is the Sen-  
ator's own ward, and the sole pur-  
pose of the new club is to boom  
him for the presidency. The club  
will meet from now on every Thurs-  
day night.

### AID IS NOT NEEDED.

Advices That Representative Sea-  
bury Has From Zapata County.

Austin, Texas, Sept. 1.—Hon.  
F. W. Seabury, who represents  
Zapata County in the House of  
Representatives, said today that  
he had just received letters from  
reliable ranchmen and others con-  
cerning the condition of affairs in  
that county. The writers of these  
letters had visited every part of  
the county within the past two  
weeks, and Mr. Seabury says they  
are unanimous in denying the re-  
ports of deaths by starvation. They  
state that the reports of women  
and children tottering from ranch  
to ranch in famished condition are  
absurd, that there is no actual suf-  
fering among the people and that  
aid is not needed at this time.  
Some cattle have died and there is  
a shortage of corn and beans, but  
those who are without these food  
necessities are being taken care of  
by the wealthier element of the  
county. The cotton picking season  
has arrived and all who are willing  
to work can find employment pick-  
ing cotton in other portions of the  
State, with the transportation for  
themselves and working members  
of their family paid to the place  
of labor.

### DENMARK ACCEPTS.

Will Sell Danish West Indies to  
the United States.

London, Sept. 2.—A dispatch to  
a news agency from Copenhagen  
today says that the new Danish  
ministry has decided to accept the  
United States offer of 16,000,000  
kroner for the Danish West Indies,  
thus announcing as an accomplish-  
ed fact what the dispatches of the  
Associated Press said the ministry  
would do.

### TEN CENTS FOR COTTON.

A Word From the President of the  
Texas Cotton Growers' Pro-  
tective Association.

#### Galveston News.

Waco, Tex., Sept. 1.—Col. E. S.  
Peters, president of the Texas  
Growers' Protective Association,  
sent out a circular to the cotton  
growers of Texas today as follows:

Galveston, Robertson County, Tex.,  
Aug. 31.—To the cotton growers of  
Texas—There is every indication  
that the crop now being harvested  
will be short and the demand heavy.  
The nations of the world are at  
peace; money is plentiful and we  
believe middling cotton will go to  
ten cents. It was nine cents on  
the Galveston exchange last week.  
I would advise every farmer to  
market his crop very slowly, not  
over ten per cent each month.

If the farmers would do this and  
unite for a market price based on  
the cost of production, and fortify  
themselves with the statistics fur-  
nished by our association on the  
crops and markets of the world,  
we will never see five cents cotton  
again.

We believe the situation justifies  
us in saying that all cotton sold  
this year for less than ten cents  
middling will be below its true  
value.

E. S. PETERS,  
President Texas Cotton Growers  
Protective Association.

#### Accommodating.

Jinks—Have you got quarters  
for a dollar, old man?

Winks—My vest pocket is rather  
crowded, but pass it over, and I'll  
try to make room for it.

The Belgian pigeon which won  
the great race from Burgos, in  
Spain, to Brussels, did the 700  
miles in fourteen hours.
